

More New Spring Suits

Our line of beautiful New Suits for Spring already represents the style ideas and we believe possesses a selling force that needs no argument to sustain. It contains a striking variety of new exclusive styles in the latest fashionable patterns with an attractive selection of the new spring fabrics. We believe the spring purchases were made with better judgement than ever before—the qualities are as ever the highest—coming fully up to The Homer Fitts Co.'s standard in every instance. There is no question about it—to buy a Suit without first seeing our line would be a mistake. **Prices from \$10.00 to \$32.50.**

This Season's Special 54 inch Goods \$1.00 Per Yard

The Dress Goods Department was never so busy at this season of the year as right now. It would seem there could not be a call for dress materials we couldn't fill. **JUST ONE SPECIAL** is a spring fabric 54 inches wide (think of the width) in a fine pretty weave, and one that will be pretty for girl's dresses, women's suits or separate skirts—comes in blue, brown, grey, black and green and the price instead of \$1.25 or \$1.39 is **only \$1.00 per yard.**

The Benington Banner feels that James P. Marr of Barre would have been the champion thirteenth century poet. The Banner says: "Personally, we would have preferred to see our own Vermont poet, James P. Marr of Barre, selected for the occasion. Jim Marr has written just as good poetry as ever Bliss Carman, and his poetry has a rugged strength and appeal to manhood that is often inspiring. Of Scotch birth, but a Vermont boy, he is loyal to both lands and his writings strike a response in all warm hearts."
